Terms & Conditions:

Payment:

All new customers must first prepay all orders by: money order, cashiers check or wire transfer. Personal company checks and Credit Cards are not accepted unless approved by WWW.ILOVEBODYKITS.COM. All orders must be pre-paid. Parts in stock will be shipped immediately unless otherwise specified by the customer. All back orders must be cancelled by the customer or will be automatically shipped upon their availability.

Availability of Parts:

WWW.ILOVEBODYKITS.COM will only hold parts for THREE (3) business days from the last conversation with the customer. If payment is not received within three days, we cannot guarantee the availability of the parts.

WWW.ILOVEBODYKITS.COM will place and hold the order based on a first come first serve basis. With parts that are in limited production, WWW.ILOVEBODYKITS.COM can only hold the part for three working days. If the customer chooses not to have the part shipped within three days, WWW.ILOVEBODYKITS.COM has the right to sell the part to another customer unless the original customer makes full prepayment in advance before the three day holding period expires.

Back Orders:

If WWW.ILOVEBODYKITS.COM is unable to immediately fill the entire order, the balance of the shipment will be placed on back order. Parts in stock will be sent immediately unless otherwise specified by the customer. All back orders must be cancelled by the customer or will be automatically shipped upon their availability.

Order Placement:

We do our best to service our customers in the accuracy of orders and we encourage customers to do a FAX ORDER or E-MAIL ORDER ONLY. If the customer chooses not to do a fax order or e-mail order, in the event of a wrong order, it is the customer's responsibility and WWW.ILOVEBODYKITS.COM will not be held liable. NO REFUNDS, RETURNS, or EXCHANGES on incorrect or miscommunicated phone orders.

Shipping Damage:

Damage may occur occasionally in transit. Shipments are automatically insured by the carrier and insurance is included on the standard freight quote. Any damage in shipment is the responsibility of the carrier; therefore the purchaser must make all damage claims directly to the carrier. In case of damage, retain all cartons, packing materials and damaged merchandise for the carrier to inspect. NEVER refuse shipment or return it without approval since your right to make a damage claim may be denied by the transit company if you do so. If the damage is apparent upon receipt, accept the merchandise and note the damage and irregularities (such as crushed, torn or broken packing) on the freight bill and have the driver sign it as verification. All parts must be inspected before the driver leaves or else claims can be denied by the transit freight company. If any damage has occurred, note it on the driver's bill and have him initial it and make a copy for your records. All disputes as to the settlement amount or manner should be addressed with the carrier. WWW.ILOVEBODYKITS.COM under no circumstances shall be liable for the damaged merchandise or for subsequent settlement of the claim with the carrier.

Returns:

Special order items cannot be cancelled or returned. NO RETURNS ON BODYKITS, FENDERS, SPOILERS and HOODS. All other returns must be approved by WWW.ILOVEBODYKITS.COM prior to being returned. All items must be returned within 10 days after being delivered (Subject to 25% restocking fee). Any items received after 10 days or without approval from WWW.ILOVEBODYKITS.COM will be refused and returned to the purchaser at their own expense. All returns must be in unused, unaltered, and unpainted condition. All returns must be sent with shipping prepaid. Any returns sent freight collect will be refused and returned to the purchaser at their own expense. All returnable items must be carefully packed in original packaging (or better) if the original packaging is no longer in good condition. Purchaser is advised to insure the returned goods for their full value for their own protection, since neither WWW.ILOVEBODYKITS.COM nor the shipping company would be responsible for any damage or loss in shipment. Refunds will not be issued on returned merchandise damaged on the way back to WWW.ILOVEBODYKITS.COM. In the event that any returned merchandise is damaged, WWW.ILOVEBODYKITS.COM will file a claim with the carrier and refund the purchaser upon settlement of the claim.

Quality Levels and Degree of Difficulty of Installation:

WWW.ILOVEBODYKITS.COM is in no way responsible in the explanation to wholesale account customers on the quality of body kits. It is the wholesale customers' responsibility to explain to their retail customer the quality of level of body kits. If a kit is less expensive, then the body kit may not fit as good as a higher quality kit. The kits will probably need more prepping and extensive work on the less expensive body kits. Body kits differ in quality depending on the manufacturer of the product. Fiberglass body kits are sold "AS IS" and it is the customers' responsibility to know all of the work involved in the installation process. Please understand that fiberglass kits are not always direct bolt-ons. Sometimes it is possible a fiberglass kit may need a lot of prep work including filling gaps, trimming or grinding. WWW.ILOVEBODYKITS.COM recommends that the retail customer seek an experienced custom shop to do the install on the body kits and know all the procedures of installing fiberglass kits. We do not

recommend a collision shop to do installs on body kits. These shops are only experienced in installing OEM factory parts that are direct bolt-on and do not know the procedure of installing fiberglass body kits.

Carbon & Fiberglass Hoods:

All aftermarket hoods will require hood pins and are for off-road and show use only. NO EXCEPTIONS. Carbon fiber hoods are lightweight and may fly open while driving if not properly secured. We strongly recommend the use of hood pins in addition to the included hood latch. WWW.ILOVEBODYKITS.COM is not responsible for any damages caused by an improperly secured hood.

Other Restrictions:

Some items are for off-road and show use only. Customers are responsible for checking state and federal laws before ordering. Buyer fully understands that all body kits, fenders, hoods and spoilers are sold "AS IS" with no warranty. Buyer also understands that due to strict U.S. Federal and State Safety crash guidelines, WWW.ILOVEBODYKITS.COM is not responsible or liable for any damages or possible injury incurred upon possible accidents due to driver error, incorrect installations, and bad judgment (cracking or breaking your parts). Buyer understands that all body kits, fenders, hoods and spoilers may need modifications for correct fitment such as removal of safety reinforcements, removal of factory bumper lights/side marker indicators, shaving molding, etc. Because many of these kits are prototyped and used on non U.S. vehicles that have much less safety standards/requirements in their respective countries of origin. WWW.ILOVEBODYKITS.COM is not liable for any illegal street use of these parts.
